> This is a devastating and unexpected loss. Suzanne was larger than life and my mentor in so many things. She taught me to seize each moment and to dwell not on setbacks, but in possibility. Suzanne's life was a masterpiece full of vibrant color. I will remember her warmth, charm, humor, and wisdom. May we all live as exuberantly as Suzanne did. I will miss her always. I send heartfelt condolences to her son, Max, during these difficult days.
